AGILE TEAM CHARTER

Team Purpose & Vision

Why do we exist as a team?

- We exist to address the financial and safety challenges faced by NSFAS-funded students at CPUT D6 by providing an affordable and secure bulk-buying food solution.

Team Mission?

To help NSFAS students reduce monthly food costs and avoid safety risks by offering a bulk-buying and delivery service

What problem are we solving? For whom?

- High food prices at CBD retailers (20-30% more expensive)
- Safety risks when students carry groceries after payday
- This is for NSFAS-Funded students

Success Definition

We are successful when:

- Students save money monthly
- Students receive food safely without exposure to crime
- High order participation (strong demand already shown at 100%)

Product/Service

We deliver:

- Monthly Survival kits (bulk groceries)
- Pre-order system via WhatsApp/Google forms
- Safe delivery to student residences

Team Members & Roles

Name	*Role*	*Key responsibilities*
Tiyani Ngwana	Product Owner	Oversees product vision, decision-making, ensures value delivery
Sanda Pama	Agile Lead	Coordinates workflow, removes blockers, ensures agile practices

Tebogo Pii	Analyst Researcher	Collects data, validates pricing, supplier research
Sinazo Ntsimbi	Developer/Content Lead	Documentation, communication materials, report compilation

Ways of Working

Agile Framework = Kanban

Ceremonies

Ceremony	**Frequency**	**Purpose**
Daily Stand-up	Weekly (WhatsApp check-ins)	Progress updates, blockers
Planning	Weekly	Plan tasks for ordering, sourcing, delivery
Review/Demo	Monthly	Evaluate service performance and delivery success
Retrospective	Monthly	Improve processes and teamwork

Working Agreements

- Show up prepared and on time
- Respect deadlines
- Communicate clearly and respectfully
- Raise issues early
- Support each other
- Focus on delivering value to students

Communication

- **Primary Channels:**
  - WhatsApp (Main)
  - Google Meet (Formal)
- **Response-Time Expectations**
  - Within 1-4 for urgent matters
  - Within 24 hours for normal communication
- **Remote Norms**
  - Attend weekly meetings
  - Stay active in WhatsApp group
  - Share updates consistently

Decision-Making

How decisions are made:

- Team Vote
- Product Owner final decision

Escalation path: Discuss in WhatsApp group, escalate to owner, final decision made

Definition of Done (DoD)

- Orders collected and confirmed
- Payments received
- Bulk purchase complete
- Goods delivered to residences
- Students receive correct items
- Documentation updated

Core Values & Behaviours

- Respect
- Accountability
- Transparency
- Trust
- Teamwork
- Student-first mindset
- Learning mindset

Risks & Constraints

Risks are:

- Supplier stock shortages
- Late payments
- Delivery/Logistic issues

- Safety concerns during distribution

Dependencies are:

- Wholesalers
- Student participation
- Payment systems

Constraints are:

- Limited budget
- Student schedules
- Time (monthly cycle)
- Transportation access

Review & Improvement

Charter reviewed: Monthly (retrospective)

Last updated: 3 May 2026

Team Commitment

Agreement: By working on this team, we commit to the principles and agreements outlined above.
